Explanatory notes

These explanatory notes set out the details of the transactions which are the subject of the resolutions and the approvals required by the shareholders of the Company under the Companies Act 1993 (the **Companies Act**), the constitution of the Company (the **Constitution**) and the Takeovers Code Approval Order 2000 (the **Takeovers Code**).

Special Resolutions

The resolutions set out in this notice of meeting are special resolutions which require approval by not less than 75% of the votes of those shareholders entitled to vote and voting on the resolution.

Resolution 1 – initial public offer

1. Where the total number of shares and/or other equity securities issued by the Company in any 12 month period exceeds 10% of the number of shares and other equity securities on issue as at the commencement of that period, clause 11.2(b) of the Constitution only permits the Board to issue such shares or other equity securities if the issue has been approved by a special resolution of each class of Shares.
2. In accordance with clause 11.2(b) of the Constitution, the shareholders of the Company have previously approved the issue of up to 60,000,000 fully paid ordinary shares under the initial public offer (by no later than 31 March 2015) at a price not less than A\$0.40 per share.
3. The Board is now seeking approval to issue 67,500,000 fully paid ordinary shares (an increase of 7,500,000 shares from the previous resolution) under the initial public offer (by no later than 3 April 2015), at a price of A\$0.40 per share. As this will exceed the 10% limit set out in clause 11.2 of the Constitution the Board is seeking shareholder approval by way of special resolution of each class of shareholders in accordance with clause 11.2(b) of the Constitution.

Resolution 2 – Issue of shares and convertible bond

4. If Resolution 2 is passed, the issues of shares and convertible bond referred to in Resolution 2 will be approved in terms of clause 11.2(b) of the Constitution and rule 7(d) of the Takeovers Code as an exception to rule 6 of the Takeovers Code.

Subscription for shares

5. KCS has subscribed for 52,500,000 ordinary shares (**Subscription Shares**) of the Company subject to the passing of the resolutions set out in this notice of meeting. The aggregate issue price for such shares is A\$21 million at an issue price of A\$0.40 per share. The Subscription Shares will be issued immediately following the acquisition of the Sale Shares. While KCS will pay the aggregate issue price in full, only 40,813,636 of the Subscription Shares (**KCS Subscription Shares**) will be issued to KCS and 11,686,364 of the Subscription Shares (**Reorient Subscription Shares**) will be issued to REORIENT Group Limited (an associate of KCS' financial advisers).

Convertible bond

6. The Company has agreed to enter into a convertible bond agreement with KCS on the terms set out in Appendix 2. Subject to the approval of the shareholders of the Company being obtained, the Company will issue a convertible bond (**Convertible Bond**) to KCS pursuant to the convertible bond agreement in exchange for at least A\$23 million (**Minimum Bond Amount**). The final amount which will be paid in exchange for the Convertible Bond will be determined as a result of KCS's success or otherwise in obtaining up to 15,000,000 ordinary shares (**Sale Shares**) of the Company from certain current shareholders at a price of A\$0.40

per share. The Sale Shares are intended to be acquired within the five business day period prior to the issue of the Subscription Shares. If KCS obtains less than 15,000,000 Sale Shares, then the difference between the number obtained and 15,000,000 will be multiplied by A\$0.40 and added to the Minimum Bond Amount to obtain the final amount to be paid. If KCS does not obtain any Sale Shares, then the final amount to be paid for the Convertible Bond will be A\$29 million.

7. On conversion of the Convertible Bond, KCS will receive up to 83,208,742 ordinary shares of the Company (**Conversion Shares**) with the final number calculated by dividing the amount paid for the Convertible Bond by the Conversion Price (as defined in Appendix 2). The Conversion Shares will be issued on the date determined in accordance with the terms set out in Appendix 2.

Joint venture

8. The Company has agreed to set up a joint venture company with KCS as soon as possible following the Company listing on the Australian Securities Exchange (**ASX**).
9. The joint venture company will be registered in Hong Kong, and will be 49% owned by the Company and 51% owned by KCS, with each contributing A\$2 million to the joint venture company upon incorporation.
10. The joint venture company is intended to establish a wholly foreign owned enterprise in China to engage in research and development, and sale and distribution, of the Martin Jetpack in China and Hong Kong.
11. The Company is seeking shareholder approval to grant an option to KCS (**Option**), which would allow KCS to, at any time prior to the date 30 months after the Company lists on the ASX, require the Company to acquire KCS's shares in the joint venture company in consideration for the issue of up to 96,854,612 ordinary shares in the Company to KCS (**Option Shares**). The number of Option Shares to be issued will be determined in accordance with the terms of the option set out in Appendix 3. Constitution

15. Where the total number of shares and/or other equity securities issued by the Company in any 12 month period exceeds 10% of the number of shares and other equity securities on issue as at the commencement of that period, clause 11.2(b) of the Constitution only permits the Board to issue such shares or other equity securities if the issue has been approved by a special resolution of each class of Shares.
16. In respect of each of the:
 - (a) issue of the Subscription Shares;
 - (b) issue of the Conversion Shares; and
 - (c) issue of the Option Shares,the number of shares/equity securities in the Company to be issued will exceed 10% of the total number of all shares and other equity securities on issue as at the commencement of the 12 month period prior to issue.
17. As such, approval of each class of shareholders is required (by special resolution) for each issue in accordance with clause 11.2(b) of the Constitution.

Takeovers Code approval

18. Under Rule 6 of the Takeovers Code, a person who holds or controls:
 - (a) no voting rights, or less than 20% of the voting rights, in a code company may not become the holder or controller of an increased percentage of the voting rights in the code company unless, after that event, that person and the person's associates hold or control not more than 20% of the voting rights in the code company; or
 - (b) 20% or more of the voting rights in a code company may not become a holder or controller of an increased percentage of the voting rights in the code company.
19. There are a number of exceptions to this rule. These include where a person becomes the holder or controller of voting rights in a code company by allotment of shares that have been approved by an ordinary resolution pursuant to Rule 7(d) of the Takeovers Code.
20. The Company is a code company as it has 50 or more shareholders and 50 or more share parcels.
21. KCS currently holds no shares in the Company. KCS currently has no associates who hold shares in the Company for the purposes of the Takeovers Code.
22. As a result of the proposed issues of shares referred to in paragraphs 5 to 11 above, KCS (both individually and in association with its associates) will hold more than 20% of the shares in the Company and, once it holds more than 20%, will increase its percentage voting rights.
23. The total percentage of the Company held by KCS (and its associates) after all of the share issues set out in paragraphs 5 to 11 above will be up to 55%. 24. Accordingly, under the Takeovers Code, each allotment of shares referred to in paragraphs 5 to 11 above requires the approval of shareholders by ordinary resolution.
25. If shareholders approve resolution 2, then they are approving the issues of the shares to KCS and REORIENT Group Limited for the purposes of rule 7(d) of the Takeovers Code.
26. The information required under rule 16 of the Takeovers Code is set out in Appendix 1 of this notice of meeting.

Independent Adviser's Report

27. As required by rule 18 of the Takeovers Code, the Company has commissioned an Independent Adviser's Report on the issues of the shares referred to in paragraphs 5 to 11 above.
28. The Independent Adviser's Report is required by the Takeovers Code because, as a result of the issue of the shares, KCS and its associates will hold or control more than 20% of the voting rights in the Company. The Takeovers Code requires that, where shareholders are being asked to give their approval under rule 7(d) of the Takeovers Code, the directors must obtain a report from an independent adviser on the merits of the proposed allotment having regard to the interests of those persons who may vote to approve the allotment, comprising all of the shareholders of the Company.

 - (e) the terms of the Convertible Note and the Option are contained in Appendix 2 and Appendix 3 respectively to this Notice of Meeting and the terms of the ordinary shares are set out in the constitution of the Company; and

- (f) the funds to be used under the Convertible Note subscription will be used to accelerate the commercialisation of the Martin Jetpack. The consideration for the Option Shares will be the benefits that KCS brings to the development of the Martin Jetpack through the joint venture company.

- (a) The number of Option Shares to be issued upon KCS exercising its right under clause 6.4 and in accordance with paragraph 1 above will be determined by dividing the relevant amount of the HKCo Sale Consideration (representing the number of HKCo Sale Shares sold at any particular Interval) by the Swap Price (and rounding that number up to the next higher whole number).
- (b) Each Swap Share created will:
 - (i) be free of all encumbrances or other adverse interests; and
 - (ii) be on the same terms and have the same rights as all other ordinary shares.

4. Anti-Dilution

The Swap Price shall be adjusted from time to time as follows:

- (a) if there is a consolidation and/or sub-division of ordinary shares, the Swap Price shall be adjusted by an amount which, in the opinion of the directors, is fair and reasonable to maintain the right to convert so as to ensure that KCS is in no better or worse position as a result of such consolidation or sub-division; and
- (b) on an allotment of fully paid ordinary shares pursuant to a bonus issue, or a capitalisation of profits or reserves to holders of ordinary shares, the Swap Price shall be adjusted to ensure that the holder of KCS is in no better or worse position as a result of such bonus issue, capitalisation of profits or reserves.

9. Other Terms

The Option will otherwise be granted on such terms as the Board may determine.
